Link : <https://github.com/ITheBK/RangeBarVertical>

Bar Chart / Open Source Android Library

Provides vertical and horizontal bar chart.

Link : <https://github.com/ITheBK/BarChart>

Other Projects

Semantic Parser for Kannada / Academic Project

Project aims at processing Kannada sentence with the Morphological tags (Vibhatkis) to associated Kaaraka for the nouns .

Use case : Helps in Translation from Kannada to other Language, as Word-to- Word translation does not give good accuracy.

Language used : Python.

Source Code : <https://github.com/ITheBK/kaarakas>
